Introduction

This booklet provides a list of Medi-CareFirst's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Medi-CareFirst's formulary. If you have additional questions, please call Claims Customer Service at (800) 693-1434, 24 hours a day, 7 days a week. TTY/TDD users should call (800) 693-0765. Or, visit www.medi-carefirst.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Medi-CareFirst. In most cases, your prescriptions are covered under Medi-CareFirst only if they are filled at a network pharmacy. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Medi-CareFirst's Network Pharmacies

To find a pharmacy near your home in this directory:

- 1) Find the type of pharmacy (chain/retail, home infusion, long-term care, medication therapy management);

- 2) Look under the state or jurisdiction where you live (Delaware, District of Columbia or Maryland);
- 3) Find your county, listed in alphabetical order;
- 4) Find the name of your pharmacy, listed in alphabetical order. If a pharmacy has more than one outlet within a county, the listing for the pharmacies in the chain will be in alphabetical order by city.

Or, you can search our website at www.medi-carefirst.com under "Pharmacy Locator," or call Claims Customer Service at (800) 693-1434, 24 hours a day, 7 days a week. TTY/TDD users should call (800) 693-0765. For assistance in communicating with pharmacies, TTY/TDD users can call the Telecommunications Relay Service number 711.

Retail/Chain Pharmacies

Retail pharmacies are licensed pharmacies that can provide you with prescription drugs. A retail pharmacy may also be a chain pharmacy. Chain pharmacies are usually related. They are pharmacies of the same name in many different locations, and may be owned by the same corporation or owner. The retail/chain pharmacy list in this directory includes our network pharmacies in your area. You can also find a network retail pharmacy by visiting our website at www.medi-carefirst.com under "Pharmacy Locator," or by calling Claims Customer Service at (800) 693-1434, 24 hours a day, 7 days a week. TTY/TDD users should call (800) 693-0765. All of

BlueRx (PDP)

our retail pharmacies provide an extended day supply of medications.

Home Infusion Pharmacies

Home infusion pharmacies will provide home intravenous therapy, which allows you to receive these medications at home. To find a participating home infusion pharmacy, refer to the Home Infusion Pharmacy listing found in this directory. You also can find network home infusion pharmacies by visiting our website at **www.medi-carefirst.com** under “Pharmacy Locator,” or by calling Claims Customer Service at (800) 693-1434, 24 hours a day, 7 days a week. TTY/TDD users should call (800) 693-0765.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under Medi-CareFirst through the facility’s long-term care pharmacy or another network long-term care pharmacy.

To find a participating long-term care pharmacy, refer to the Long-Term Care Pharmacy listing found in this directory. You also can find network long-term care pharmacies by visiting our website at **www.medi-carefirst.com** under “Pharmacy Locator,” or by calling Claims Customer Service at (800) 693-1434, 24 hours a day, 7 days a week. TTY/TDD users should call (800) 693-0765.

Medication Therapy Management Pharmacies

Medi-CareFirst contracts with Outcomes Pharmaceutical Health Care to offer a free service called Medication Therapy Management (MTM) to all Medi-CareFirst members. Specially trained MTM pharmacists are identified in communities throughout Maryland, Delaware and the District of Columbia. Your MTM pharmacist will meet with you to review your medications and identify duplications or potential interaction problems. The pharmacist will confer with you and your doctor to resolve any problems and can consult with you on the most effective non-prescription (over-the-counter) treatments, if appropriate. To find an MTM pharmacist, refer to the MTM Pharmacy listing found in this directory. You can also find an MTM pharmacist in your area by calling Claims Customer Service at (800) 693-1434, 24 hours a day, 7 days a week. TTY/TDD users should call (800) 693-0765.
